

USF Justice Bus® Trip

Date: March 12-13, 2016
Location: Fresno, California
Partner: The Fresno Vet Center and Ciummo & Associates
Impact: 31 Clients Served

Dear Justice Bus Riders:

Because of your hard work and commitment to equal access to justice, 31 underserved Californians are more informed about their legal rights. Many are also prepared to resolve issues with their criminal records. You should be proud of the positive impact you had on this isolated community. But, don't take our word for it. Here's what your clients had to say:

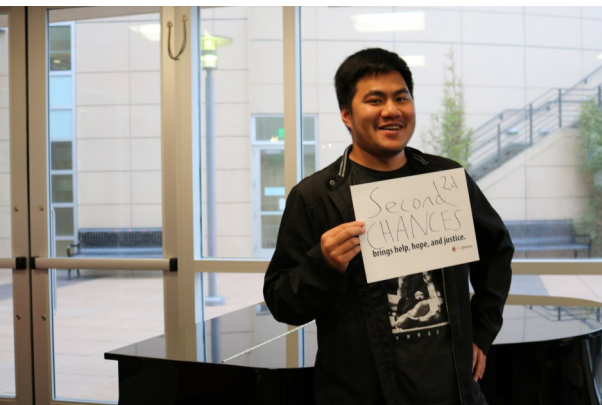

- "Great work, good advice, lots of help. Very hopeful of employment at a veterans' hospital."
- "I'm really happy with today's results and look forward to my future's outcome...This I believe will be a big step to my future's success. Thank you."
- "Very helpful that they care enough to help me fix my record cuz I would not know how to do it myself."

Thank you again for an amazing weekend in Fresno. We hope your experience on the Justice Bus trip was fulfilling and that you will keep in touch with OneJustice in the future.
