

GGU Justice Bus® Trip

Date: April 11, 2015
Location: Fresno, California
Partner: Ciummo & Associates and the Fresno Veterans Center
Impact: 21 Clients Served

Dear GGU Justice Bus Riders:

Because of your hard work and commitment to equal access to justice, 21 underserved Californians are more informed about their legal rights and more prepared to resolve their legal issues! You should be proud of the positive impact you had on this isolated community. But, don't take our word for it. Here's what your clients had to say:

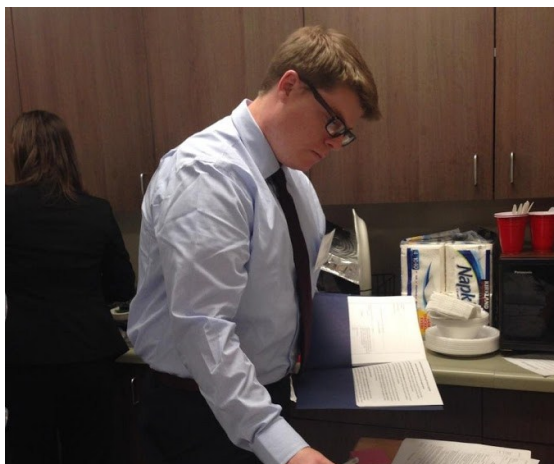

- "Today I came to get help expunging my criminal record. I found the staff very helpful—[the volunteer who helped me] put in extra effort to make sure I know where and how to file [my] paperwork with the courts. Looking at all the paperwork I filled out, I know I couldn't have done it without [your help]. [This] is a great resource for veterans so that our past will not hold us back in our future endeavors."
- "I found today's event very informative and helpful. I will pass [this information] onto others that are interested in trying to get their life back on track from past things that are hindering them from advancement."
- "[The volunteer who helped me] was very helpful and covered all of my questions. Thank you for your assistance pointing me in the right direction."

Thank you again for an amazing day in Fresno. We hope your experience on the Justice Bus trip was fulfilling and that you will keep in touch with OneJustice in the future.
